

Tomasz Krzysztof Kabziński**Curriculum Vitae****Personal Details**

Citizenship: Polish
Date of birth: 29 March 1984
Place of birth: Łódź, Poland
Civil status: Engaged (with Dr. Hazel Ramirez)
Address: 276 Colonnade Drive Apartment 39
 Charlottesville, VA 22903
Contact: Email: tkk6x@virginia.edu
 tomasz.kabzinski@gmail.com
Mobile: (434) 327-6936

**Education**

August 2008 – present **University of Virginia (UVA)**, *Department of Chemistry*, pursuing doctoral degree under supervision of Dr. Cameron Mura
July 2007 – June 2008 **University of Virginia (UVA)**, *Department of Molecular Physiology and Biological Physics*, research project under supervision of Dr. John Bushweller (for Master of Science)
October 2003 – June 2008 **Technical University of Łódź (TUL)**, *Department of Biotechnology and Food Sciences*, pursued master degree (Master of Technical Biochemistry and Molecular Biotechnology)
February 2007 – June 2007 **Ghent University (GU)**, *Department of Science*, recipient of Erasmus/Socrates Scholarship
September 1999 – June 2003 **High School Number 1 of Nicolaus Copernicus**, class with extended biology and chemistry program

Research Experience

January 2009 – present Research at the Department of Chemistry of UVA under supervision of Dr. Cameron Mura, working on global regulator, Hfq, from pathogenic proteobacteria
July 2007 – June 2008 Research at the Department of Molecular Physiology and Biological Physics of UVA under supervision of Dr. John Bushweller, working on oncogenic transcription factor, ERG1, from *Homo sapiens*
October 2006 – January 2007 Research at the Institute of Technical Biochemistry of TUL under supervision of Dr. Stanisław Wysocki, the project resulted in publication of “The Study of Interactions Between KPF & ATEE”

February 2006 – January 2007 Research at the Institute of General Food Chemistry of TUL under supervision of Dr. Grzegorz Bujacz , working on crystallization of TCPR10 protein from *Theobroma cacao*

Professional Experience

August 2008 – present Position of **Teaching Assistant** at the Department of Chemistry of UVA (biochemistry class)

August 2007 – June 2008 Position of **Visiting Graduate Student/Visiting Researcher** at the Department of Molecular Physiology and Biological Physics of UVA

September 2003 – May 2005 Position of **Attendance of Audience** in Great Theater of Łódź

Personal Qualities

- Computer literate (Windows 95, 98, XP; Fedora Word; Excel; PowerPoint; Origin 7.5 Pro)
- Organized
- Quick learner
- Works well in stressful situations
- Sociable, friendly

Known Languages

- Polish – native
- English – upper-intermediate written and spoken
- French – basic in written and spoken
- Spanish – basic in written and spoken

Hobbies

- Chemistry, Biochemistry, Genetics, Molecular Biology, any other field of study dealing with DNA and/or RNA and proteins (especially in bacterial/archaeal or simple eukaryotic organisms)
- Music (rock, pop, alternative)
- Sport (volleyball, basketball, football, swimming and jogging)
